This letter is to notify voters of Hopewell Township that we have not received a list of offices up for election in your district from your municipality as of the date of this letter.

Municipalities are required by law to provide this information to the Election Office under the Pennsylvania Election Code, Article IX, Section 904: "To assist the respective county boards in ascertaining the offices to be filled, it shall be the duty of the clerks or secretaries of the various cities, boroughs, towns, townships and school districts, with the advice of their respective solicitors, on or before the thirteenth Tuesday preceding the Municipal primary, to send the county boards of their respective counties a written notice setting forth all city, borough, town, township and school district offices to be filled in their respective subdivisions at the ensuing municipal election, and for which candidates are to be nominated at the ensuing primary."

We will continue to try to get this information from your municipalities, however we cannot post the offices for election in your districts before the statutory deadline as we have not received this information.
