## **ATTENTION:**

### **Mount Union homeowners and renters served by public water on W. Davis and W. Garber Streets**

The Mount Union Municipal Authority (MUMA) would like to use Huntingdon County FY 2022 Community Development Block Grant (CDBG) funds for water system improvements along W. Davis and W. Garber Streets. On behalf of MUMA, we are conducting a demographic survey to determine CDBG eligibility for these waterline improvements.

For this waterline project, the service area is along both W. Davis Street and W. Garber Street and west of their intersections with S. Washington Street. This area *may qualify* for a grant for the MUMA W. Davis/W. Garber Street Waterline Improvement Project, but ONLY if we complete a demographic survey of the identified service area.

### **What will the grant fund?**

- A new 8" water main from S. Washington Street to the end of W. Davis Street;
- Connection of the new 8" line to the existing 4" line along W. Garber Street and elimination of the dead-end line currently at the end of W. Garber Street;
- Installation of a fire hydrant on W. Davis Street to serve both W. Davis and W. Garber Streets;
- Replacement of two water valves at the intersection of W. Garber and S. Washington Streets;
- Installation of a new 4" valve to serve W. Garber Street; and
- Installation of a new 8" valve to serve W. Davis Street

**Residents in the proposed project beneficiary area will receive a mailed a paper copy of the survey along with a self-addressed stamped envelope to return the completed survey. If you think you are in this service area and did not receive a copy, please contact the Huntingdon County Planning and Development Department at 814-643-5091 with any questions or to complete a survey by phone.**

### **Completed surveys are needed by Friday August 19, 2022.**

**If you have questions about the survey, need a foreign language translation, or are hearing impaired please call the Huntingdon County Planning and Development Department at (814) 643-5091 or email us at [planning@huntingdoncounty.net](mailto:planning@huntingdoncounty.net) - Monday thru Friday, 8:30 am to 4:30 pm.**
